A Message From the Organizing Committee

AP-S/URSI 2027 Kyoto offers unique insights into emerging technologies related to antennas, propagation, electromagnetic engineering, and radio science. This is an excellent opportunity to engage with a diverse group of delegates from industry, academia, and government, and to meet and recruit the next generation of engineers and researchers. As the premier international forum for the AP-S and URSI communities, the conference will bring together leading researchers, engineers, students, and decision-makers from around the world.

The conference will be held at the Kyoto International Conference Center in Kyoto, Japan, from Sunday, 20 June to Friday, 25 June 2027. Kyoto, Japan's ancient capital, offers a distinctive setting where world-class science and engineering meet centuries of history, culture, architecture, and hospitality. The venue provides an inspiring environment for technical exchange, business networking, and international collaboration.

Do not miss your chance to showcase your company and preview new equipment, systems, or technologies to a highly focused global audience. To secure a premium booth location, it is advisable to reserve your space early. As a Sponsor, you will enjoy additional benefits, including enhanced corporate visibility in conference materials and the inclusion of your logo in prominent conference locations and digital channels. For pricing and other marketing opportunities, please refer to the next pages of this prospectus.

We look forward to welcoming you to Kyoto!

AP-S/URSI 2027 will be held at ICC Kyoto in Kyoto, Japan

ICC Kyoto is Japan's first national conference center and a distinguished venue for international exchange. Set on expansive grounds in the natural surroundings of Takaragaike, the conference complex combines modern facilities, architectural character, and Japanese hospitality. With more than 70 halls and meeting rooms, dedicated exhibition spaces, spacious lobbies, a Japanese garden, and an adjacent hotel, ICC Kyoto provides an inspiring setting for AP-S/URSI 2027. The venue was selected for many reasons:

- **Flexible Event Facilities** – A 156,000 m² conference complex with four major halls, more than 70 meeting rooms, banquet and exhibition facilities, spacious lobbies, and a Japanese garden.
- **Purpose-Built for International Events** – Conference halls with interpretation facilities, event support services, free public Wi-Fi, and flexible layouts support technical sessions, exhibitions, workshops, and networking.
- **Inspiring Kyoto Setting** – Modernist architecture, landscaped grounds, and views of the surrounding mountains create a memorable environment for international collaboration.
- **Convenient Access** – A direct 20-minute subway ride from Kyoto Station, followed by a five-minute walk from Kokusaikaikan Station through a covered passageway.
- **Commitment to Sustainability** – ICC Kyoto advances waste reduction, recycling, lower-impact materials, efficient energy use, and stewardship of its Japanese garden and surrounding environment.
- **Experience Kyoto** – Beyond the conference, delegates can discover a city where advanced research and technology coexist with centuries of culture, craftsmanship, cuisine, and hospitality.
    - Explore Kyoto's temples, shrines, gardens, museums, and historic neighborhoods.
    - Enjoy traditional and contemporary cuisine, from local specialties to refined dining.
    - Connect easily to central Kyoto for business meetings, cultural programs, and evening events.
    - Experience the calm natural setting of Takaragaike and the venue's own Japanese garden.

TERMS AND CONDITIONS

2027 IEEE International Symposium on Antennas & Propagation and USNC-URSI Radio Science Meeting, (AP-S/URSI 2027) June 20-25, 2027, Kyoto, Japan.

1. CHARACTER OF THE EXHIBITION: AP-S/URSI 2027 and/or its designated agent reserves the right in its sole discretion to determine the eligibility of any company, product or service and the right to restrict, prohibit or evict any Exhibitor or product which detracts from the character of the Exhibition or for any violation of the following Terms and Conditions.

2. LOCATION/DATES: The 2027 IEEE International Symposium on Antennas & Propagation and USNC-URSI Radio Science Meeting will be held June 20-25, 2027, at Kyoto International Conference Center, 422 Iwakura Osagicho, Sakyo Ward, Kyoto, 606-0001, Japan

EXHIBIT SCHEDULE

MOVE-IN:	07:00 - 12:00 Tuesday, June 22
EXHIBIT FLOOR OPENS:	12:00 - 18:00 Tuesday, June 22
	09:00 - 18:00 Wednesday, June 23
	09:00 - 17:00 Thursday, June 24
MOVE-OUT:	08:00 - 12:00 Friday, June 25

The meeting management reserves the right to make changes to the Exhibit hours. However, such changes will be made known as far before the Exhibition as practical. As part of the contract with AP-S/URSI 2027, all Exhibitors shall staff their booths appropriately during all show hours.

3. INSTALLATION AND DISMANTLING: Spaces will be accessible to Exhibitors for setting up displays on Tuesday, June 22, 2027, from 07:00 to 12:00. Packing and removal of Exhibits before the close of the Exhibition is prohibited. Exhibitors shall be liable for all storage and handling charges for failure to remove Exhibits by service contractor move-out. Exhibitor move-out: 08:00-12:00 Friday, June 25, 2027.

4. AUDIO/VISUAL: All A/V, rigging, and mechanical services must comply with Kyoto International Conference Center's facility rules and be performed by venue-approved contractors. Exhibitors using third-party A/V or staging vendors must ensure compliance with house rules, labor jurisdiction, and insurance requirements.

5. SPACE ASSIGNMENTS: Space assignments are made on a first-come, first-served basis, with all assignments made in the best interest of the Event determined by IEEE in its discretion. The Exhibitor's booth location preference will be requested, and IEEE may accommodate such request; provided that AP-S/URSI 2027 reserves the right to alter an Exhibitor's assigned space if it is necessary and is in the best interest of the Events at its sole and absolute discretion. The Exhibitor will be consulted whenever possible.

6. SUBLETTING OF SPACE: The Exhibitors shall not assign, transfer, sublet or apportion the whole or any part of the space assigned or have representatives, equipment or materials from other firms than their own in the exhibit space without prior written consent of symposium organizers. Only one company shall be considered as the Exhibitor. Any other company or unit in space shall be considered a subsidiary or affiliate.

7. SHIPPING INSTRUCTIONS: An Official Service Contractor will be designated by Management to coordinate all material handling, drayage, and freight logistics. Third parties may not deliver freight, operate forklifts, or move materials within the exhibit hall without authorization. All inbound and outbound shipments must comply with the facility's dock and storage regulations.

8. GENERAL REGULATIONS: Demonstrations must be conducted within the exhibitor's booth area and not interfere with adjacent exhibits or aisles. Loudspeakers, flashing lights, or objectionable displays are prohibited. Distribution of stickers is prohibited. Use of helium balloons and confetti are prohibited. Management reserves the right to curtail or close exhibits that do not comply with event standards or IEEE values.

9. SAFETY CONSIDERATIONS: All exhibits must comply with Kyoto International Conference Center and the local fire department codes. Exits, aisles, fire extinguishers, and alarms must remain unobstructed. Nothing may be attached to or suspended from ceilings, sprinkler systems, or light fixtures. No drilling, taping, or adhesive on facility walls, floors, or structures. All materials must be flame retardant and subject to inspection. Exhibitors are responsible for the safety of their employees, contractors, and attendees within their exhibit space.

10. OFFICIAL CONTRACTOR: An official Contractor will be designated in the Service Manual to perform services for Exhibitors. No Exhibitor or representative shall contract for such services with other than the said official Contractor without the express prior written consent of symposium organizers, who, for reasons of security, in their sole and absolute discretion, can deny such request.

11. CANCELLATION: Please note that we cannot accept any cancellations once you have submitted your application. Please be aware that we will bill you for the sponsorship fee.

12. MATTERS NOT SPECIFICALLY COVERED: Any and all matters or questions not specifically covered by the preceding rules and regulations shall be subject solely to the discretion of the symposium organizers and AP-S/URSI 2027.

13. FORCE MAJEURE / INABILITY TO PERFORM: If AP-S/URSI 2027 is prevented from holding the exhibition, or cannot permit exhibitor occupancy, due to circumstances beyond its control (including natural disaster, pandemic, labor dispute, government order, or facility unavailability), Management's liability shall be limited to a refund of booth rental fees paid. No other damages or compensation shall be due.

14. SALES PROMOTIONS AND DRAWINGS: All promotions conducted by the Exhibitor must be free of obligation by the winner and participants. All promotions and drawings must be approved by AP-S/URSI 2027 in writing prior to the opening of the event.

15. COMPLIANCE WITH TERMS AND CONDITIONS: AP-S/URSI 2027, at its discretion, may make reasonable changes, amendments or additions to these Terms and Conditions. Interpretations of these Terms and Conditions shall rest with show management and non-compliance can result in ejection of the offending Exhibitor or closing of the Exhibit. Such rejection or closing shall not entitle the Exhibitor to any refund.
